

HOWARD C. CHRISTIANSEN ENDOWED SCHOLARSHIP

The Howard C. Christiansen Trust established an endowed scholarship in 2016 for students pursuing a bachelors or graduate degree in the study of engineering. Scholarship nominees for the CSU Trustees' Award will be reviewed first. If there are not enough applicants nominated who are in an engineering field, then the scholarship may be awarded to a second pool of engineering applicants outside the CSU Trustees' Award.

- Demonstrate financial need as determined by the campus Financial Aid Office.
- Be currently enrolled as a full-time equivalent undergraduate or graduate student in any engineering major field at a CSU campus and remain a CSU full-time equivalent student during the academic year.
